

FRIDAY EV.:NING, OCT. 5, 1900.

of, if it had chosen to do so, played the paid wages during the season. The part of the old woodsman who egged beach produced all told from \$250,000 on the fight between a bear and his wife, horning that both sides would wife, hoping that both sides would producer in the district and the be so weakened that he would profit one that promises most for the future thereby, now that there is a reported comes from Dawson. The richest alliance between the McKinley administration and England, comes out in for 1900 has submitted its report. The favor of the republicans. That it does so may stimulate the hopes of the supporters of Mr. McKinley, but there is little doubt that it will add many to the country of the supporters Mr. Bryon will receive. Findleh. votes Mr. Bryan will receive. English mends that the rules requiring help doesn't do much good either a \$100 deposit from each enterzens of the United States.

Southern negroes have grown tired of conferring Presidencies upon republicans and receiving janitorships as pay, and have determined to vote for Mr. Bryan and, for a time at least, be in accord with the people among whom they live. But, unfortunately for them, most of their race will continue to be the willing dupes of the party that has de- approaches, and some of them here not ceived them for the last thirty-odd only call the democratic leader a crank, years. The Southern people tell them plainly that they will not give them important and re-ponsible offices with which white people have to do business, but when they promise them inferior positions, they fulfill their promises, and, if they be not impudent, always treat them kindly and considerately.

AT THE national Union Veterans' Union annual encampment in Washington vesterday a set of resolutions were adopted against the Confederate colors declaring, that the blending of those colors with the U. S. flag is a futile low stag. and some of such patients have and empty mockery, and that while ex-Confederates may be recognized as personal friends as long as they be have themselves, there should be no affiliation with them if they attempt to display the old flag under which to display the old flag under which they fought. Why certainly! But the which the glass blowers were amalgamented. There are ten thousand men Southern gushers will continue to gush, all the same, and with them, bygones will be bygones, and the blue and the gray will always mix, when they are awake, and profit thereby.

oppose theg liberty of that country as the Yankee carpet baggers were after the close of the war between the are opposed to any thing of that sort. They went to China for loot and pelf, and that purpose must not be interferred with-surely not in the interest | little censure.

ANOTHER sure sign that the republievery conceivable means by which they may increase their vote in the close States of the North, is the fact that their agents have gone to all the Soldiers' Homes, even to the one at Hampton, in this State, and made arrangements for sending every inmate who hails from such States back to them, to register and vote at next month's elec- Germans there will vote for Bryan; that

WITH A promise of nine million a year, for thirty years, or two hundred and seventy million dollars, it is no Northern shipbuilders should make liberal contributions to Mr. McKinley's campaign fund. But it is a wonder that the poor people who are taxed to raise that immense sum should, at least patiently, if not willingly agree to submit

FROM WASHINGTON.

[Correspondence of the Alexandria Gasette.] Washington, October 5.

Earl Li Hung Chang would have been at Tientsin while the internationalists column was on its way to the relief of Pekin and would have been in the Chinese capital as soon as it fell, if it had not been for the indiscreet talk of a captain of one of Uncle Sam's gunboats, at Hong Kong. It is learned, from an unquestionable source, that our government under agreement with Li had arranged that Admiral the British Consul, at that place, called of negroes in the South. upon him and announced that the taking of Earl Li from Shanghai to Tientsin aboard the flagship the Brooklyn would be considered an unfriendly act by Great Britain. It developed upon investigation that the captain of our gunboat at that place had divulged the object of Remey's proposed trip to Shangnai. Admiral Remey proceeded with-out the distinguished Chinaman as his passenger, the Washington authoribeing notified of the oc-ce and the failure of their plans to get Earl Li immediately on the scene of the disturbances. A lengthy report of the affair has been

reprimand the captain of the gunboat as they hope to keep the matter quiet.
The name of the captain cannot, as yet, be ascertained. It will be recalled that some time after this occurrence this corresponding to the captain war passed.

The vine-growing districts in France have suffered severely from the heavy storms which have done great damage to crops in France.

as a passenger on a Russian war vessel.

The story that the Turkish Government is paying in installments the claim of the United States for \$90,000 for the destruction of the American college at Harpoot, is denied at the State department today. The statement is also made that so far from notifying the Turkish government that it need not send Shekib Bey as its minister to Washington, the Department has as sured him a polite welcome.

Director Roberts of the Mint Bureau.

received a report this morning from Dr. Cabell Whitehead, who was sent to The London Times, whose nation so loved this country during the war between the States that though it could have stopped that conflict within three months after the commencement theremonths after the commencement theremonths after the commencement theremonths after the commencement there months after the commencement there are sometimes of the early summer to study the conditions and prospects of the gold output, to the effect that the beach mining is a failure. help doesn't do much good either among the many German or Irish citizens of the United States.

a \$100 deplot in the residuy enforced, and the cadets pay be increased to that of the cadets at Annapolis \$500 per year, and the daily ration. The report em Some FEW of the more intelligent phasizes the necessity of increasing the numerical strength of the cadet corps, and suggests the establishment of a per manent poard with a continuing membership to which may be referred all matters relating to general direction

of the academy. The republicans here have been made irritable by their dread of Bryan's election, which they fear is becoming more and more apparant as November but a "traitor." Of course this is nuts for the democrats.

Intelligent workingmen here say they know their rich employers are all in favor of McKinley, and that they, the aborers referred to, dare not say they are not, too, but that with few excepwho has always been a poor man himself and they believe sympathizes with For some time past U. S. custom officers poor people, and is opposed to the have been searching from New York to Milpoor people, and is opposed to the ost of a man's living, decrease the amount of his wages.

A good number of cases of remittent fever here have been allowed to get indied, but skillful physicians say they were not cases of real typhoid fever which is a disease endemic in piedmont. but not in tidewater regions.

Mr. John Kunzler, president of the American Flint Glass Work-ers' Union, explained to the industrial in this union whose average wages are \$12.80 per week. Each branch of the union makes a yearly contract with the employers for a wage scale. The Contral Union has a fund of \$58,000 on which to draw in case of strikes. Wit-THE American carpet baggers in ness said he thought compulsory arbiproper legislation was enacted, which

would be acceptable to labor. There is a great deal of talk today to the liberty of the South among the Southern colony here about he unanimous adoption at the Union States in this country. Civil law and House last night, of a resolution against Veterans' Union reception at the Riggs order would deprive them of some of any more blending of the Union and their ill-gotten gains, and, of course, they | Confederate flags, as an "untimely attempt to harmonize adverse principles," and, as the organization referred to is for McKinley, the ex-Confederates who advocate his re election receive no

> People from Pennsylvania here today say that ex-Senator Quay, who didn't "shake the plum tree," will be reelected, and will receive much democratic support for the reasons that he is opposed to Mr. Hanna, who voted against his admission, and that so many of the conce democrats of their State have deserted their party and become goldites and imperialists.

At democratic headquarters here today it is said that intelligent Germans of Indians, well-informed of the condition of political affairs in their State. say that seventy five per cent, of the bets have been made in Cleveland, O., that that city will give Bryan ten thousand majority, though it gave McKin ley seven thousand, and that, Mr. Man-ley's estimate to the contrary, Mr. H. wonder that the Cramps and other C. Payne, also of the national republican committee, only gives Mr. Mc-Kinley a majority of two electoral votes. It is also said there that Congressman Rhea of Virginia has been supplied with the campaign literature asked for, but that whether the he asked for, but that whether the Postoffice Department will attend to its

proper distribution, cannot be told. While at the Metropolitan Hotel this morning the owner a good deal of real estate here on Pennsylvania avenue said the rents he received from it were nothing like what they used to be: business man with whom he was talk ing said he had lost four thousand dollars during the McKinley administration, and another one said his son had just failed for a large amount and with comparatively no assets, and all three of them agreed that none of all their acquaintances had experienced any of the prosperity of which the republican

The southside fire station at Waltham, Mass., was destroyed by fire this morning. The fire resulted in the loss of seven trained horses, injuries to all financial loss of \$40,000. The cause of the fire is given as spontaneous combusion. The firemen, who were asleep at the time the fire broke out, started to come down the pole as usual, but it was so hot that they were forced to loosen their hold and drop, in some cases 15 to 20 feet, into the flames be-

low. The steamer Sauta Ana, Captain made to the Navy department. For stramd, has arrived at Seattle, Wash., reasons best known to the officials, they from the Nome gold field with 267 pasNEWS OF THE DAY.

Because the prices are too high the District of Columbia Commissioners

site for the Municipal Hospital. Hon. William J. Bryan, Hon. Adlai E. Stevenson and Hon. W. Bourke Cockran addressed the national association of democratic clubs, which ended its session at Indianapolis yesterday.

At midnight returns received showed the total number of members elected to Parliament to be 397, with the relative strength of parties as follows: Ministerialists, 280; opposition, 117. The conservatives have gained, altogether, 21 seats, and the liberals 14. The London Mail describes the elections as "The rout of the pro-Boers" and "The debacle of 'Little Englandism.'

TELEGRAPHIC BREVITIES.

A dispatch from Chicago says that at a tent meeting held in that city last night some one threw a piece of ice through the tent and that Senator Hanna, who was standing on the platform. narrowly escaped being injured.

At Kenner, 87 miles from New Or-leans, two dead negroes were found yesterday, the one shot, the other with his head battered to a jelly. Neither was identified. The coroner's jury re-turned a verdict of death at the hands of unknown parties.

The investigation ordered by Supreme Court of New Jersey into the eport that the plot to kill King Hum. bert of Italy was hatched in Paterson is proceeding there. Examinations are being made behind closed doors. Today the Italian consul in New York went to Paterson and is sitting with the com-

Thomas McGraw, aged 60, an inmate of the Soldiers' Home, at Dayton, O., was shot and instantly killed last night by Walter Easton, 57 years old, also an inmate of the home. McGraw late last night visited Easton's home, near the barracks. When he discovered that he was being watched be attempted to escape and was shot by Easton.

Lulu D. Hay, of Jacksonville, Ill., who is quoted by C. B. Kingman, of Delayan, Ill., as authority for his charge that W. J. Bryan received \$150 000 for forcing specific declaration for silver in the democratic national platform, today sent the democratic national committee an affidavit denying that she said anything upon which Kingman could base such a charge.

waukee for a certain young woman, who, it is alleged, smuggled \$400,000 worth of dia-monds into this country. The method used was to feed the gems to her pet dog.

At Georgetown, Ky., this morning the case of H. A. Youtsey, charged with being accessory to the murder of Gov. Goebel, was taken up and a metion to quash the indictment was

THE BANKERS.

At the closing session of the American Bankers' Association in Richmond vesterday the "Financial Future of the United States," "The Internal Rang. nue Laws," Public Opinion and Banks," and the "Education of a Banker," were discussed.

The association confirmed the officers chosen on Wednesday by the commit-

Company, of New York, the present [Herald. vice president of the association Vice president, Myron T. Herrick,

president of the Society of Savings, of Cleveland, O., the present chairman of the executive board. Chairman of the executive commit-

tee, Caldwell Hardy, president of the Norfolk National Bank, Norfolk. Vice presidents were elected from all the States and Territories. Buffalo and Milwaukee were placed in nomination for the next session of the association. The question was referred to the executive council, which will decide it at

the meeting to be held next spring. The executive council was requested to appropriate \$5,000 to the Gaiveston

A resolution declaring in favor of putting the consular service under civil service rules was tabled after long discussion. Through a resolution sent to the executive council for action, the asociation indorsed the proposition for a federal department of commerce and industries.

Immediately following the adjournnent the executive council convened and elected Colonel James R. Branch, form-rly of Richmond, secretary, and Mr. George M. Reynolds, of the Continental Bank, of Chicago, treasurer, both

succeeding themselves. One of the most striking features of the morning session was the presentation of splendid silver loving cups to President Walker Hill and Secretary James R. Branch, of the association. The event was unique in that the recipients of the handsome gifts, the two chief officers of the association, are both natives of the same city, Richmond. The cups were presented by the clearuse bankers of Richmond, Mr. A. B. Blair, cashier of the Security Bank, making the address.

The bankers went to Old Point Com-

H. A. HERBERT'S ATTITUDE.-Formbers of Mr. Cleveland's last cabinet who have not yet declared themselves on the issues of the campaign, will not an nounce how he will vote in the approaching election, and if he casts his vote at all it will be done quietly. Mr Herbert makes Washington his home where he practices law, his specialty being cases before the Navy depart-ment. Yesterday when asked to state his position he declined. Mr. Herbert claims still to be a citizen of Alabama, but declares he is no longer in politics. and at the time of his selection for the cabinet was one of the few members of Congress from the South not in favor of

AN UNEXPECTED RETURN.-Emily men who occupied the building and a S. Hull, 17 years old, who disappeared from her home in Newport, N. J. years ago, and who was believed to have been murdered as no trace of her could be found, returned to her home unexpectedly Wednesday night. The girl, who is fine looking, will make no explanation of her absence, except to say that she has been living in Phila-delphia most of the time. Her disappearance caused a sensation as her mother said her stepfather had killed her. Detectives were put on the case have decided not to court-martial or sengers and \$600,000 worth of treasure, but without result.

VIRGINIA NEWS.

Mrs. Howard M. Hoge, of Lincoln, is presiding over the State convention of the Woman's Curistian Temperance Union, which is meeting in Charlottesville.

Rev. Elisha Cook, colored, was sent to jail in Richmond yesterday for teachhave rejected all offers of ground for a ing little white boys to steal. It was shown that Cook had an agreement with a number of white boys to carry on a systematic plan of thieving, he to sell the goods so obtained.

Yesterday was King George County Court, and some interest was manifested by both the republican and the democratic parties. There was a joint dis cassion in which the republicans were represented by their candidate for Congress in the Eighth district and Mr. M. K. Lowry and the democrats by Mr. R. E. Lee, jr., of Fairfax.

THE CHINESE TROUBLES.

The substance of Germany's latest note as to China is officially made public, together wi h Secretary Hay's reply acquiescing in it. France has also pre sented a new proposition. The reply of the United States government to the latest note of the German government shows that they are now in accord as to the supervision by the ministers of the powers at Pekin of the punishment to be administered by the Chinese authorities

The State Department at Washington received a joint Franco-Russian pro-position for the punishment of the guilty Chinese officials, for the inter-diction of arms and munitions of war to China and for payment of indemnity to the powers.

The Germans defeated 2,000 Boxers near Pekin. Four hundred Boxers and five Germans were killed. The Germans burned a number of Chinese vil

presidential elector, is making an active canvass, and winning high praise for the masterly manner in which he dis see the issues of the campaign. At the meeting of the county super

visors on Wednesday, Messrs. Rice, Williams and Harrison wers appointed a committee to have a steel roor put on the Court-house building. The contract for a building bridge over Dogue run was awarded to C. H. Kruse, the lowest given to erect a monument on the urt-louse lot to the memory of Capt. Marr, of Warrenton, Va., who was the first southern soldier killed in the war of 1861-65. Right was given to Dr. E L. Detwiier, president Herndon and Lees-President, Aivah Trowbridge, president of the North American Trust Valley, and to Loudoun county line.—

SHERIFF INDICTED .- An indictment has been found by the grand jury of Prince Georges county, Md., against Edward T. Shea, sheriff of the county; his brother; William Shes; Todd Fox, Herbert Boteler, and Leo Smith, on the charge of having committed a felonious assault upon Lucy Hart. The present-ment was filed with Judge Merrick, of he Circuit Court, now in session at Upper Marlboro, yesterday afternoon. The case will be tried next week, but as date has yet been set. The prisoners are all in jai'. Sentiment is divided in the county in reference to the charge against the young men. Many persons express the belief that the whole thing is a conspiracy, while many others are emphatic in expressions of belief in the guilt of all of the accused.

MILITIA.-A dispatch from Richmond says: There will probably be a lively contest for the colonelcy of the Seventieth regiment, which is to be organ ized in Richmond on the 10th of this month. Richmond friends of Col George Wayne Anderson are anxiou that he shall become a candidate but he has not decided to do It is thought that Col. Thomas S. Keller, of Charlottesville, will be put up by his friends for the colonelcy, and in all probability Maj. F. C. Scruggs, of Lynchburg, will aspire to this position From what can be learned here, Col. G. W. Taylor, of Norfolk, will be elected to command the Seventy-first regiment. He was in charge of the Fourth regiment during the Spanish

London, Oct. 5.—According to a Pretoria dispatch, when President Kruger crossed into Portuguese territory the military leaders resolved at a meeting to take the best mounted men and, with all the lighter guns, go northward with the intention of continuing the struggle in the Soutspan district, Berlin, Oct. 5 .- The delegates to the

municipal assembly have resolved by a great majority not to congratulate the empress on her birthday,October 22, because the message of congratulation last year was not answered by the em-press herself, but by the court marshal, Baron von Mirbsch, who previously had severely blamed the assembly because they had not granted enough money for the construction of new

London, Oct. 5 .- The liberals are depressed over the results of yesterday's polling in the towns which show big conservative gains. There is every prospect also of an increased tory ma jority in the rural constituencies. At noon today, the balance of parties was: conservatives, 285; opposition, (liberal, labor and nationalist), 120. The conservaties have gained 22 seats and the iberals 15. Timothy Healy, nationalist, contested North Louth with a conservative. Healy is returned but with relatively small majority.

London, Oct. 5 -Passengers on the Deutschland, which sails from Plymouth for New York, tomorrow, will pay an aggregate of capin fares amounting to over \$50,000. Charles T. Yerkes, the millionaire promoter, has engaged suites on the vessel for his family, which cost aim \$5,000.

The Strike.

Scranton, Pa., Oct. 5 .- Up to yesteray it was thought probable that a setlement would be made on the 10 per cent increase basis, but it is now genrally understood that it will be time wasted on the part of the operators to try to settle on that offer. The Delaware, ackawanna and Western Company seld out a lingering hope up to the las moment that enough men could be ound to operate at least a few of its niues but not a man has reported willng to take advantage of the 10 per ent offer.

Hazelton, Pa., Oct. 5 .- There is no naterial change in the strike situation his morning. Lattimer furnished some xcitement at an early hour when some thirty women tried to stop the men going to work there. A brush between the women and police occurred in which one man was struck with a stone. There is a feeling here that a settlement s not far distant.

Shenandoab, Pa., Oct. 5 .- The North Franklin colliery was closed this mora-ing for the first time. This action was aken by the officials in consequence o yesterday demonstration by 3,000 trikers against the mines.

The demonstration of the strikers last night who set out to close the North Franklin colliery at Trevorton, has caused a change in the plans of General Gobin. He had decided to send Batery C home, but has now changed his mind. The battery will remain here, ceady for service, until conditions at Trevorton become more settled.

New York, Oct. 5 .- President Maxwell, of the New Jersey Central Raiload, one of the companies which go to make up the anthracite coal pool, made a significant statement today. He roads and said : nies have made all the concessions to he miners that they will, and it is now up to them to accept. I can assure you that the railroads will make no further

The Situation in China.

St. Petersburg, Oct. 5.-General l'schitshagoff reports a fierce struggle Detween his forces and the Chinese at Funginchin, Manchuris, on Sept. 22 The Russians numbered 600 and were strongly entrenched. Most of the Chiese were cut down. The Russians lost even killed and fifteen wounded. London, Oct. 5 .- A Shanghai dis-

atch says that recent edicis indicate hat the change of the Chinese capital rom Pekin to Signaufu is to be permauent. Signaufu was at one time the egular capital of China. Shanghai, Oct. 5 .- It is reported that

the allies will demand an idemnity which will aggregate \$200,000,000.

Tientsin, Oct. 4.—A landing party from the British cruiser Aurore has oc-

cupied Ching Wan Tao, just below Shan Hai Kwan where the British are preparing winter quarters. After a long conference yesterday between Russian Minister de Giers and Li Hung Chang, the latter made preparations for departing for Pekin today. The Chise statesman will be accompanied by a Russian guard in charge of the Russian admiral.

Wichita, Kan., Oct. 5 .- While Mrs K. Rogers is enjoying her honeymoon trip, in which she is going to visit all eastern cities, the bridegroom is rεmaining at home, feeding the chickers and preparing his own meals. This is one of the several peculiar conditions he had to consent to before Mrs. A. B. look would agree to marry him. When Mrs. Cook became a widow, two years she promised her grown-up children that she would never marry again. Two months ago she met Rogers, an old bachelor, at a Sunday school picnic, and he persuaded her to agree to change her mind. But the widow attached many conditions to her consent. Before the wedding Rogers had to sign an agreement to allow his wife to direct all his votes for all candi dates; to allow her two-thirds of the property of both combined and to alow her to travel alone whenever she wished. On the other hand, she bound herself to never question her husband sbout other women, drinking or losfing.

After Sunken Treasure. Bridgeport, Conn., Oct. 5.—The steamer Lexington went down in the ound off this harbor a half century ago causing the loss of 200 lives and carry ing to the bottom a vast amount of gold amounting to about \$500,000. \$4.50.5. Next week the submarine boat Argo-Next week the submarine boat Argonaut, the invention of Simon Lake, will begin an attempt to recover the treasure. The venture will decide the success or failure of the Lake Wrecking Company, organized to recover versels sunken in coast waters.

New York Cattle Market, Oct 4.-Beeves.

Charlotte, N. C., Oct. 5 .- As a result of a walk-out of the employes in the six big cotton mills of Alamance county on Tuesday, because of dissatisfaction regarding certain superintendents, all operatives belonging to the Textile Workers' Union have been discharged. This notice was posted yesterday in all the mills:

"Whereas, Recent developments have shown that this mill cannot be operated with that harmony between he owners and the operatives thereof which is essential to success and to the interest of all concerned, so long as the operatives are subject to interference of outside parties, this is to give notice that on and after October 15, 1900, this mill will not employ any operative who belongs to a labor union, but will be run by non-union labor only. All operatives who object to the above and will not withdraw from labor unions, will please consider this as notice to vacate any house and premises belonging to us which they may now occupy on or before the 15th day of October,

Shot by His Father-in-law.

Wheeling, W. Va., Oct. 5 .- M. F. Dryden, a prominent lawyer, and formerly pastor of the North street M. E Church, in this city, was shot and instantly killed about 3 o'clock this morning by Thomas Workman, his father in-law. Dryden has had the reputation of abusing his wife for years while under the influence of drink. Last evening he was drunk and quar relled with his wife. During the night he became sick and Mr. Workman went for medicines. When he returned he ound Dryden choking his wife. Workman shot him without waiting any further developments. Workman i highly thought of of here. He surrendred to the police.

Plans of the Pennsylvania Road. Philadelphia, Oct. 6.-The executive officers of the Pennsylvania Railroad Company have about completed plans for the expenditure of \$30,000,000 in improvements and extending the Long Island Railroad. Capt. John P. Green, first vice-president of he company, says that, when the work is finished, Long Island will be the finest summer resort in the world. aptain Green says that a tunnel under Brooklyn and the East river will be completed as soon as possible and that passengers will then be carried from a oint near the New York city hall to all parts of Ltng Island. This is the season when mothers are alarmed

on secount of croup. It is quickly cured by
